

FREE “Green Your Home” Workshop

Retrofit your home to save water, energy and money!

Find out how to:

- Identify the energy drainers and water guzzlers in your home;
- Choose a hot water system, solar power, insulate, reduce air-conditioning use, choose a grey water system and eco-reno-vate; and
- Save money and be part of the climate change solution.

First 5 participants to bring along an incandescent light bulb can exchange it for a FREE compact fluorescent light bulb!

Go in the draw To WIN a G-Flow Greywater System valued at \$500 (Courtesy of One Earth Outlet).

When:	Thursday 4 September, 7.15pm – 9.30pm
Where:	City of Stirling, Reception Hall 25 Cedric Street, Stirling

Registration is essential!
